PAPER PUBLICATIONS 2022-2023

Sl.No.	Name of the Faculty	Paper Presented /Research Article	Research publication / Name of the Seminar / Conference	Year of Publication
1	Ch. Srinivasa Rao	Decentralized Block Chain Based Trust Management Protocol for the Internet of Things	International Journal for advanced research in Science & Engineering (IJARST). ISSO No. 2457-0362, Impact Factor : 6.76	August, 2023
2	Ch. Srinivasa Rao	Sentiment Based Racism Detection of tweets using Deep Learning Models	International Journal for advanced research in Science & Engineering (IJARST). ISSO No. 2457-0362, Impact Factor : 6.76	August, 2023
3	A.N. Rama Mani	Psychological and Behavioral indicators of the Social Media Break up	International Journal for advanced research in Science & Engineering (IJARST). ISSO No. 2457-0362, Impact Factor : 6.76	August, 2023
4	A.N. Rama Mani	Learning Asymmetric Hash Code for Remote Sensing Image Retrieval	International Journal for advanced research in Science & Engineering (IJARST). ISSO No. 2457-0362, Impact Factor : 6.76	August, 2023
5	B.N.S Gupta	An Advanced Health Care System with IOT as its core and cloud	International Journal for advanced research in Science &	August, 2023

		support for safe, Portable and Accessible sharing of Information	Engineering (IJARST). ISSO No. 2457-0362, Impact Factor : 6.76	
6	B.N.S. Gupta	A Proxy Re-encryption approach to secure data sharing in cloud for data security	International Journal for advanced research in Science & Engineering (IJARST). ISSO No. 2457-0362, Impact Factor : 6.76	August, 2023
7	K. Lakshmana Reddy	Secure Financial Transactions without the need of Tokens and by using Block Chain Technology	International Journal for advanced research in Science & Engineering (IJARST). ISSO No. 2457-0362, Impact Factor : 6.76	August, 2023
8	K. Lakshmana Reddy	Distributed Concurrency Bugs Detection System using improved Log Mining	International Journal for advanced research in Science & Engineering (IJARST). ISSO No. 2457-0362, Impact Factor : 6.76	August, 2023
9	P. Srinivasa Reddy	Block chain technology is being utilized for developing a secure e-coupon service	International Journal for advanced research in Science & Engineering (IJARST). ISSO No. 2457-0362, Impact Factor : 6.76	August, 2023
10	P. Srinivasa Reddy	A Systematic evolution of Research on Social Engineering Attacks prevention	International Journal for advanced research in Science & Engineering (IJARST). ISSO No. 2457-0362, Impact Factor : 6.76	August, 2023
