

**INTERNAL ASSESSMENT**

**SEMESTER- I (2023-2024AB)**

**The Blueprint for Continues Internal Assessment (CIA) for 30 Marks**

**COURSE 1: INTRODUCTION TO CLASSICAL BIOLOGY**

**Paper Code : 23BSC1I**

**Section-A:** Multiple Choice Questions (MCQs) **10x1M=10Marks**

**Section -B:** Fill in the Blanks (FIB) **5x1M=5 Marks**

**Section -C:** Very Short Answer Questions (VSQ) **5x1M=5 Marks**

**Section -D:** Matching the items (MC) **1x5M=5 Marks**

**Section -E:** True or False (T/F) **5x1M=5 Marks**

| <b>QUESTION PAPER TAXONOMY</b> |                                   |     |     |    |     |  |  |     |  |
|--------------------------------|-----------------------------------|-----|-----|----|-----|--|--|-----|--|
| Level of Bloom's Taxonomy      | Type of Question & Marks Assigned |     |     |    |     |  |  |     |  |
|                                | MCQs                              | FIB | VSQ | MC | T/F |  |  |     |  |
| Remembering                    | 3 M                               |     |     |    |     |  |  |     |  |
| Understanding                  | 3 M                               |     |     |    |     |  |  |     |  |
| Applying                       | 4 M                               |     |     |    |     |  |  |     |  |
| Analyzing                      |                                   |     | 5 M |    |     |  |  |     |  |
| Evaluating                     |                                   |     |     |    | 5 M |  |  | 5 M |  |
| Creating                       |                                   | 5 M |     |    |     |  |  |     |  |

**Unit Wise Breakup:**

| Unit     | Section-A (MCQs) | Section-B (FIB ) | Section-C (VSQ ) | Section-D (MC) | Section-E (T/F) | Total Marks |
|----------|------------------|------------------|------------------|----------------|-----------------|-------------|
| Unit I   | 03               | 00               | 03               | 00             | 02              | 08          |
| Unit II  | 03               | 01               | 01               | 00             | 01              | 06          |
| Unit III | 01               | 01               | 00               | 05             | 00              | 07          |
| Unit IV  | 01               | 02               | 00               | 00             | 00              | 03          |
| Unit V   | 02               | 01               | 01               | 00             | 02              | 06          |
|          | 10               | 05               | 05               | 05             | 05              | 30          |

## SEMESTER II

### The blueprint for Internal examination -1 question paper for UG Zoology

4 questions to be answered out of 6 questions

Each question carries 5 marks

| Unit     | No. of Questions | Co-Curricular Activity | Extra- Curricular Activity | Total Marks |
|----------|------------------|------------------------|----------------------------|-------------|
| Unit-I   | 2                | 5                      | 5                          | 30          |
| Unit-II  | 3                |                        |                            |             |
| Unit-III | 1                |                        |                            |             |
|          |                  |                        |                            |             |

### The blueprint for Internal examination -2 question paper for UG Zoology

4 questions to be answered out of 6 questions

Each question carries 5 marks

| Unit     | No. of Questions | Co-Curricular Activity | Extra- Curricular Activity | Total Marks |
|----------|------------------|------------------------|----------------------------|-------------|
| Unit-III | 1                | 5                      | 5                          | 30          |
| Unit-IV  | 2                |                        |                            |             |
| Unit-V   | 3                |                        |                            |             |
|          |                  |                        |                            |             |
